The Paraplanner Conference 5 June 2025

The future of effective paraplanning, engineered for success

08:30 – 09:30	Registration and refreshments	
09:30 – 09:40	Welcome address	
	<i>Dan Atkinson CFP™ APP Chartered FCSI (Financial Planning) Head of Technical Paradigm Norton & Steven McBurnie CFP™ APP Chartered FCSI (Financial Planning) - Paraplanner, Wright, Johnston & Mackenzie</i>	
09:40 – 10:00	Winner of the Paraplanner of the year 2024:	
	<i>Brad Sheridan – Paraplanner, BRI Wealth Management Plc</i>	
10:00 – 10:45	From Numbers to Narrative: The Art of Using Data to Answer Client Questions	
	<i>Ilinca Man: Senior Associate, Dimensional Josh Hunt: Senior Associate, Dimensional</i>	
	Paraplanners work with financial data every day, but clients get real value when data is communicated in a way that is relevant and meaningful. This session will explore the practical ways that planners can use data and visuals to help answer client questions. We will provide examples of how to present information and outline how storytelling principles can add meaning to the numbers.	
	STREAM 1	STREAM 2
10:45 – 11:30	Next generation using AI for Paraplanners	Effortless clarity: Enhancing Paraplanning with Cashflow Modelling
	<i>Chair: Steve Nelson- Insight Director, the lang cat</i>	<i>Adam Leci - Database Expert & Solution Implementation – Prestwood Software</i>
	<i>Panel: Jeremy Bensoussan: Co-founder and CO Avenir Scott Daniels – Co-Founder - Plus Group</i>	Discover how cashflow modelling can revolutionize your role as a paraplanner, turning complex financial concepts into clear, visual narratives for your clients.
	This panel will discuss the next generation of AI for paraplanners, what do Paraplanners do and don't understand?	This session will demonstrate how cashflow modelling simplifies your workload, enhances client understanding, and ultimately makes your job easier and more efficient. Join us to learn practical tips and tools that will help you leverage cashflow modelling to its fullest potential, ensuring it becomes an invaluable asset rather than an added responsibility.
	Looking at how AI can enhance the efficiency and accuracy, while considering data protection, ethics and value that can be provided within the financial services industry.	
11:30 – 12:00	Break & networking	
12:00– 12:45	Navigating Due Diligence with Confidence and Care– A Paraplanner's journey through a case study (Ethics CPD)	
	<i>Michael Lawrence Consulting Lead, Bovill Newgate & Paraplanner Committee</i>	
	Explore the human side of financial planning—how and why mistakes happen, and the vital role you play in catching them early. Learn practical strategies for error checking, supporting team wellbeing, and navigating tricky situations with professionalism and empathy. From managing missteps to building a culture of accountability, this session equips you with the tools to turn ethical challenges into learning opportunities.	
12:45 – 13:45	Lunch and networking
